Marina sign.*

Newest Maryland Clean Marina!

[Island View Marina](#) is the newest Maryland Clean Marina certified by the Maryland Department of Natural Resources (DNR). The facility earned the award after adopting practices from the Maryland Clean Marina Guidebook, meeting all environmental regulatory requirements, and passing a site inspection. Maryland now boasts 156 certified Clean Marinas.

Island View Marina is a family owned and operated, full-service marina founded in 1984. Located at the mouth of Crab Alley Creek, the marina offers services like bottom painting and complex mechanical troubleshooting and repairs. It is both full service and allows Do-It-Yourself (DIY) owners. Owner George Ritter has over 37 years of mechanical and repair experience in both sail and power boats. The marina also has a pumpout station and recycles most materials. Congratulations Island View Marina!
